- Removable front seat base
- 3-year/36,000-mile warranty
- Manual wheelchair tie-down system
- Fully crash tested
- Fully carpeted seat bases
- Ample floor space (with more maneuverability than ever before)

### SUMMIT

The goal was concise. The solution, expansive. The Summit conversion delivers space in an innovative way. Through a uniquely powered fold-out ramp that delivers more interior space than competitive ramp systems. For added safety, two inch side rails keep wheelchairs securely on track. PowerKneel™ technology provides ease of access by reducing ramp angle. Tumble forward third-row seating offers more storage space. Form. Function. Harmony. In maximizing the design of our minivan, we've put considerable space between us and our competitors.
