

MobilityWorks Commercial: The Leader in Wheelchair Accessible Transportation

Ford Transit

Ford Transit Connect

MobilityWorks Commercial is the nation's leading dealer of wheelchair accessible vans, minivans, transport vans, shuttles and ambulettes. Whether you need one vehicle, or an entire fleet, we are your one-stop resource. Our expert Commercial Representatives will begin with a comprehensive analysis of your organization's vehicle/fleet needs.

As we know that versatility is essential — we will guide you in selecting a vehicle or building a fleet that can accommodate both your ambulatory passengers as well as your wheelchair users.

In addition to providing the highest quality vehicles, we also offer exclusive, innovative products such as the SmartFloor™ and FlexFlat™ systems. SmartFloor is our patented, modular floor system which allows for quick and easy moving of seats and wheelchair positions nearly anywhere with the van. The FlexFlat ramp system folds flat when not in use to be there when you need it and out of the way when you don't.

FLEX FLAT™

Before — Vertical

After — Flat

SMART FLOOR™
Easy • Quick • Safe Flexible

1,000 seating configurations
