

MS Leadership Class 2021

About this program:

Participating in the MS Leadership Class offers a unique opportunity for business professionals at any level in their career to sharpen leadership skills through meaningful interactions with top executives. Additionally, participants work together to contribute to a world free of multiple sclerosis (MS) through fundraising activities benefiting global MS research.

Those selected for the class will:

- Create valuable connections with committed business professionals while learning best practices from top-level executive leaders.
- Foster new professional relationships through networking opportunities.
- Refine leadership skills through structured seminars and workshops.
- Increase awareness of the challenges faced by people living with MS.
- Option to participate in volunteer activities to benefit people living with MS.

Graduating members will receive:

- The MS Leadership Class Award, an honor bestowed upon class participants by the National Multiple Sclerosis Society.
- Nomination into Leadership Atlanta with 100% completion of program and fundraising requirements.

Candidates:

- Are successful business professionals representing a variety of industries.
- Demonstrate leadership in the community.
- Desire to open doors for greater corporate/community involvement and visibility.

Commitment:

- Raise funds to help end MS (minimum of \$1,946) to commemorate 75 years of Progress.
- Participate in Leadership Management Seminars.
