Bruno's most popular exterior platform lift, the Out-Sider maintains all your vehicle's seating and cargo space. If you change mobility devices in the future, the Out-Sider can be easily adapted to your new needs. It can also be transferred to another applicable vehicle. Add the "Swing-Away" option to access your cargo area. Available for nearly every type of vehicle.

- Fully-powered, single-button operation
- Automatic folding platform when not in use
- No scooter or powerchair modifications
- Low profile design for rear view mirror visibility
- Securement device locks mobility device in place
- Safety latch to prevent unintentional lift lowering
- Manual backup for peace of mind
- Adjustable license plate holder
- Eligible for auto manufacturer potential rebates*
- 3-year limited warranty

** Contact Bruno dealer for details.*
