

XL-BOARD

Vehicle transfer board

Features:

- Helps you into your vehicle
- Folds up and tucks away
- Easy to use
- Takes up very little space
- Retractable support arm
- Non motorised

Specifications:

- Designed for the Mazda 5
- Transfer board dimensions: 14.5" X 13"
- Transfer board height: 21.5" from the ground
- OEM seat height: 23" from the ground
- Weight capacity: 300 lbs

Installation:

No vehicle modifications mean a quick and easy installation. The **XL-BOARD** installs directly into the seat's original floor bolts.

Pair it up!

The **XL-BOARD** is a great match with the **SPEEDY-LIFT** in the Mazda 5.

Sliding door width: 28.5"
